

# THIS IS MY PROGRAM

## Recital Program Information

Students are required to produce their own PRINTED program for their individual recitals. The office staff will copy your program only. A hard copy of your program must be given to the Music Office at least one day prior to your recital along with this form signed by your mentor showing that it has been approved. **Please note that all programs are required to have the information listed below.**

If you plan on printing the program yourself, the Music Office still needs your mentor's approval and you will need to provide us with 4 copies for our records.
